"10 Things You Probably Didn't Know About Funerals & Cremation"

**Monday, October 11, 2021
10:00 a.m.**

Swanson Peterson Funeral Home
1224 6th St. | Howard Lake, MN 55349

We're hosting a **free 90-minute educational program** on Monday, October 11th, and we hope you can join.

Relax with your neighbors, enjoy a cup of coffee, and listen to a panel of experts as they discuss some important topics.

The events of the past 18 months have touched all of us and had a dramatic impact on our lives. As a result, **things seem to be changing often and changing quickly**, making it difficult to know what type of planning we should be doing to protect ourselves, our assets, and our families.

Now, more than ever before, it's important for us to have updated and correct legal forms in place. **Powers of attorney, wills or trusts, health care directives, funeral and/or cremation directives, long-term care options and preferences** all play a role in our end-of-life planning. Many of these tools are actually fairly simple to set up and affordable to do if done in advance.

We plan to provide **coffee, refreshments, and snacks, but seating is limited, so reserve your space early.**

We sincerely hope you can find the time to join us. Please feel free to **invite a friend or family member to attend with you**, and we look forward to seeing you there.

Everyone who attends will receive a FREE folder of take-home information, and we'll also have a few door prizes to give away.

Advance registration is required to assist us in our preparation of seating, handouts, and refreshments.

Please call 320.543.3401, email swansonpeterson@embarqmail.com, or text 320.224.1583 to reserve your place.

This invitation is being distributed to the entire community. Please accept our sincere apologies if this reaches your home at a time of bereavement or serious illness, as such was not our intent.
